

Family of Christ COVID-19 Re-Open Safety Plan

Guidelines for Drive-In and Outdoor Worship

Please note that primary worship services will continue online at 9:30 am on Sundays. This outdoor worship is simply a secondary worship opportunity for those that wish to gather in person and will contain the same content. If you are uncomfortable being a part of Outdoor and Drive-In worship, please watch us online.

- *Please know that we are learning as we do this. Your patience is a gift in these times.*

What we ask

- Anyone who is sick, experiencing symptoms, living with a household member who tested positive or tested positive for COVID-19 must stay home. Anyone who has tested positive may attend once released by the Minnesota Department of Health (MDH).
- If you feel you are at high risk, we recommend that you stay in your car.
- If outside of your vehicle, we ask that you wear a face mask. Face masks are available.
- Any time you are in contact with someone outside your family please practice safe social distancing and wear a mask.
- Although we hope you will not need them, restroom use is limited to one person at a time, except by individuals who live in the same household. The service will be shorter, so our hope is that you will not need restrooms.
- No passing of objects or physical contact between households.

Drive-In Worshipers (listen and watch from the safety of your vehicle)

- Ushers will direct you to a parking spot.
- If you roll down any car windows, we ask that it is on the passenger side of the car. This is to maintain a safe distance between each household.

Outdoor Worshipers (gather outside in chairs or blankets with distancing)

- Family units please sit near flags on the grass or marks on the parking lot which will be at least 12 feet apart.
- Bring your own chairs or blankets. 5 Picnic tables will be available for families with children.
- Please use sanitizing stations as you arrive and leave

**In case of inclement weather or extreme heat worship will continue online. Check website for cancelations.*
