Adult ED: Lutheran Living
Feb 16th Religion | Spirituality is not enough
What does it mean to be spiritual? Is it the same as being religious? Lillian Daniel pushes back at this question that has been stirring up the cultural conversation for a while now. She asks us to consider how the seeds of faith take root and thrive. What role does organized religion play in helping—or hindering—growth? If religion is the problem, why has it held fast for thousands of years? In this age of religious pluralism, is it possible or even desirable to stick with our age-old traditions?

February Mission of the Month
Lutheran Disaster Response

Lutheran Disaster Response shares God's hope, healing and renewal with people whose lives have been disrupted by disasters in the United States and around the world. When the dust settles and the headlines change, we as a larger ELCA stay to provide ongoing assistance to those in need. Our larger national church is coordinating with the Southwest California Synod, Pacifica Synod and other partners to assess the needs of people impacted by the wildfires.
