## Adult ED: Lutheran Living

**Feb 23rd Jesus | The revolution of Love**

What does it mean to walk in the way of Jesus? What if our churches became places where we practiced being like Jesus? What if we were serious about joining in with Jesus' Revolution of Love? What if we took the kind of social and economic risks Jesus took, and reshaped what it means to be a Christian? We find ourselves looking at a Master who might be asking us to walk down a path we never imagined.

## February Mission of the Month Lutheran Disaster Response

Lutheran Disaster Response shares God's hope, healing and renewal with people whose lives have been disrupted by disasters in the United States and around the world. When the dust settles and the headlines change, we as a larger ELCA stay to provide ongoing assistance to those in need. Our larger national church is coordinating with the Southwest California Synod, Pacifica Synod and other partners to assess the needs of people impacted by the wildfires.

We will work with them to provide for immediate needs and recovery amid the widespread destruction.

Lutheran Disaster Response is committed to accompanying recovering communities for months and years to come.

### LENT SERIES: Are We There Yet?

Do you ever feel like if you just make it over the next hurdle or reach your next goal that you will have finally arrived in life? Many people do, including our Biblical friends, but guess what? That's called the arrival fallacy, and it can keep us feeling disappointed and unhappy when we get to the "next thing" and find we still haven't arrived at our hoped-for destination. We are still unfailingly human, flawed, broken. This Lent, let us learn to savor our uniquely human journey without the pressure of arrival, as we reconnect with the God of Jesus Christ who leads us in the way, providing sustenance, meaning, and hope through all our ups and downs.
