July Mission of the Month Dignity for Daughters (DfD)

Dignity for Daughters (DfD) mission is to achieve menstrual equity in Iringa, Tanzania. Sustainability will be accomplished through reproductive health education and ensuring reusable menstrual product availability by establishing local sewing ventures.

Only 1 in 5 girls in Iringa, Tanzania have access to formal menstrual health products, causing up to 5 missed days of school every month. We are dedicated to providing girls and boys with a curriculum that is otherwise absent in secondary education in Iringa. Students are also equipped with reusable pads to help them manage their health with dignity and not miss valuable days of school. We aim to empower young people with the knowledge and resources they need to break the cycle of poverty and build a healthier, brighter future.

Summer Community Dinners and Fellowship “Who is my Neighbor?”

We invite the whole community to join us this summer for our second Summer Community Nights. We will start with an introduction, then a meal, sing some songs, learn a bit, do some activities, and grow in our faith together.

Join us Wednesday, **July 16th** from 5:30 to 7:00 PM for a pot-luck meal and for activities and fun for all ages. Look for the sign-up genius or clipboard to sign up and to help with food.

A special community night will be on August 6th at Caspersen Park, so mark your calendars!
